

Holiday Moments That Matter

Pause. Reflect. Celebrate What Matters.

JOY SNAPSHOT

One moment I want to remember from this season...

REMEMBERING WITH JOY

This season, I'll remember someone special by...

- *Lighting a candle at dinner in their memory*
- *Naming a cocktail/mocktail after them*
- *Sharing a story about them at the table*

My idea:

This season I want to remember:

*We carry them with us
— in every smile, story
and sparkle of the
season.*
